## Have you ever helped a person in need and felt that you were actually the one being helped?

It's such a warming feeling, Isn't it? **Love in Action's** mission is to bring more of this feeling and experience to different communities!

**Love in Action** is a student club led by Geovana Bronzon, with a goal to collect different donations of clothes to support different communities in need, inside and outside of the U.S. **Love in action** is responsible for organizing events, fundraisers, and donation pop-ups in Marlborough and Allston open to students, staff, and families.

Approach students are welcome to join **Love in Action** student club so they can participate in community service, and provide support to children and adults that are living in underserved conditions.
